EXPERIENCE

Working Student

Premier Inn City Centre

May 2021 → Ongoing

Berlin, Germany

- Handled check-ins and check-outs, ensuring smooth operations and guest satisfaction.
- Planned and coordinated room availability, reservations, invoices, and payment processes in a dynamic work environment.
- Responded to inquiries and offered solutions via phone, email, and in person, providing clear information to clients and resolving issues efficiently in both English and German.
- Adapted to working independently across diverse shifts: kitchen, early, late, and night shifts.

Project Coordinator

Tech Combine Co., Th.

2020 → 2021

Bangkok, Thailand

- Monitored project progress, tracked milestones, and updated project schedules, identifying and addressing delays or issues.
- Handled customer inquiries and support on social media, particularly Facebook, coordinating with the retail unit for customer requests.
- Organized and tagged documents on the company's server.

PROJECTS

Full-stack Gastronomy Reservation System

Jun 2024

- Developed a Full Stack Hotel Management Site with Next.js, React, Sanity.io, Tailwind CSS, and Stripe for bachelor thesis.
